REPORT: Representatives from all of the Region III states met on March 28, 1992 in Kokomo, Indiana during the Indiana Community Theatre League's annual festival. Highlights of the meeting were as follows:

Each state with 10 or more participants may send two excerpts to the Regional Festival. This was decided by a unanimous vote of the five states and applies only to the '93 cycle.

At the Regional Festival each presenting theatre will receive reduced rate tickets (admission only, no food functions) for the cast members plus two others, up to a maximum of 10 tickets.

The Indiana board has decided that at their '93 State Festival, one dollar of each admission will be contributed to the Regional winner to help finance their trip to Nationals. Indiana challenged the other states to make a similar commitment to show support for the regional winner.

The 1993 Region III Festival will be held in Wisconsin at a location to be announced.

The new Regional Representative for 1992-94 was announced. Bob Kafka of Wisconsin will take over the responsibilities. Bob's address and phone are:

Bob Kafka
