American Association of Community Theatre
Board of Directors' Meeting
February 18-20, 1994
Crystal City, Maryland

Report of:
Region III (Illinois, Indiana, Michigan, Ohio, Wisconsin)

Submitted by:
Bob Kafka, Regional Representative.
2418 N. 111th St. #2
Wauwatosa, WI 53226
(414) 774-4768

Action Items:
None

Interest Items:
For the second year in a row the membership renewal notices sent out indicated that quick renewal would result in "up to two membership months free". An offer that could not be carried out without numerous gyrations, including amending the AACT By-Laws defining the AACT membership year. The membership committee's work to add new benefits to increase membership will be a futile effort if no one will believe that we'll actually deliver. This type of error has the potential to create both financial and legal difficulties. While mistakes cannot be totally prevented, repeating errors such as this damage AACT's credibility.

Report:
- State representatives have been selected for each state in the region. Names and addresses are attached.

1 AACT renewal letter from Joanne Nissen (undated)

2 Article 17 -- Fiscal Year/Membership Year

In Community Theatre There Are No Strangers, Only Friends You Haven't Met Yet.
The Regional Festival is scheduled for April 28-30, 1995 in Benton Harbor Michigan. All Board members are invited and encouraged to attend.

My term as Regional Representative will expire with the June Board meeting and my replacement will be Joanne Berry from Bay City Michigan.

A regional meeting will be held March 20, 1994 in Kendallville, Indiana in conjunction with the Indiana Community Theatre League State Festival. This will be the official distribution of the revised AACTFest rules to the region. Concerns from this meeting will be reported on at the June Board meeting.
